Subject: RE: Tower Standard Monthly Technical Call

Good Morning:

This is a reminder that we have a call scheduled for next Thursday morning at 8 AM. In terms of agenda items, I will try to spend some time next week reviewing existing investigation data for the purposes of providing comments on the monitoring well locations proposed by EPA on April 26. If you have other topics for discussion, please share with the group by Wednesday, May 24.

Thanks!

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.
